Preface

This book contains revised papers from the 2015 ERP Future — Research Conference, held in Munich, Germany, in November 2015. The 12 papers presented in this volume were carefully peer-reviewed and selected from a total of 23 submissions.

The ERP Future — Research Conference is a platform for research in ERP systems and closely related topics such as business processes, business intelligence, and enterprise information systems. Submitted contributions cover the given topics from a business and a technological point of view with high theoretical as well as practical impact.
