List of Symbols and Abbreviations .......................................................... XIX

List of Figures .......................................................................................... XXIII

List of Tables ............................................................................................ XXV

1 Introduction ......................................................................................... 1
  1.1 Problem Statement ........................................................................... 1
  1.2 Research Goal .................................................................................. 4
  1.3 Outline of this Thesis ....................................................................... 5

2 Agency: An Abstract and Multifaceted Construct .................................. 9
  2.1 Agency in the Workplace Learning Literature .................................. 10
    2.1.1 Agency as a Prerequisite of Work-Related Learning ............... 11
    2.1.2 Agency as Something Individuals Do .................................... 21
    2.1.3 Agency as an Outcome of Work-Related Learning ............... 32
    2.1.4 Recapitulation and Conclusion .............................................. 33
  2.2 Agency in Other Research Traditions ............................................. 37
    2.2.1 Social-Cognitive Psychology .................................................. 38
    2.2.2 Life-Course Research ............................................................. 49
    2.2.3 Organisational Behaviour Research on Proactivity ................ 60
    2.2.4 Recapitulation and Conclusion .............................................. 82
  2.3 Deriving a Working Definition of Agency ....................................... 86
  2.4 Chapter Summary ............................................................................. 93

3 The Role of Agency in Professional Development .................................. 95
  3.1 On the Development of Professional Expertise ................................ 96
    3.1.1 Expert Performance at Work .................................................. 96

5.3 Discussion

5.3.1 Conceptualisation of Expert Performance in the Domain of Geriatric Care Nursing

5.3.2 Exercising Agency at Work in the Domain of Geriatric Care Nursing

5.3.3 Agentic Actions Relevant to Expertise Development in the Domain of Geriatric Care Nursing

5.3.4 Organisational Context Factors That Affect Geriatric Care Nurses’ Engagement in Agentic Actions

5.3.5 Methodological Approach and Limitations

5.4 Chapter Summary

6 Study 2: Proposed Study Design, Instrument Development, and Pilot Study

6.1 Proposed Study Design and Sampling Strategy of the Main Study

6.2 Development of the Survey Instrument

6.2.1 Work Agency Facets

6.2.2 Agentic Actions

6.2.3 Organisational Context Factors

6.2.4 Expertise Measures

6.3 Purpose and Methodological Approach of the Pilot Study

6.4 Findings of the Pilot Study

6.4.1 Participation, Sample Information, and Missing Values

6.4.2 Item and Scale Analyses

6.4.3 Testing Assumed Relationships

6.5 Discussion

6.6 Chapter Summary

7 Study 3: Work Agency and Its Effect on Expertise Development

7.1 Methodology

7.1.1 Sample

7.1.2 Data Entry, Preparation, and Screening

7.1.3 Instrument
### Contents

7.1.4 Data Analyses .............................................. 246  
7.2 Findings ......................................................... 263  
7.2.1 Measurement Model ......................................... 263  
7.2.2 PLS Analyses ................................................ 282  
7.3 Discussion ....................................................... 295  
7.3.1 Psychometric Quality of the Survey Instrument ........ 295  
7.3.2 Test of the Research Model ................................ 296  
7.3.3 Methodological Approach and Limitations ............... 305  
7.4 Chapter Summary .............................................. 309  

8 General Discussion and Conclusion 315  
8.1 Answering the Research Questions ............................. 319  
8.2 Implications for Further Research .............................. 330  
8.3 Practical Implications .......................................... 334  
8.4 Chapter Summary .............................................. 336
