

## **ABME Special Issues**

### [Volume 38 Issue 6 – June 2010](#)

Special Issue: Interfacial Bioengineering, Guest Editor: Michael Detamore

### [Volume 39, Issue 4, April 2011](#)

Special Issue on Biomedical Engineering in the University of California System, Guest Editors: Angelique Louie, Daniel Kamei

### [Volume 40 Issue 1 – January 2012](#)

Special Issue: Concussions, Guest Editors: Stefan Duma, Joel Stitzel

### [Volume 40 Issue 2 – February 2012](#)

Biophotonics in Bioengineering; Guest Editors, Daniel Elson, Bahman Anvari

### [Volume 40 Issue 6 – June 2012](#)

Special Issue on Micro and Nano Fabrication Techniques, Guest Editors: Michael Shuler, Jong Hwan Sung

### [Volume 40 Issue 11 – November 2012](#)

Special Issue: Multiscale Systems Biology, Guest Editors: Michael R. King and Scott L. Diamond

### [Volume 41 Issue 7 – July 2013](#)

Cardiovascular Biomechanics and Biofluids, Guest Editors: Ender Finol, Elena Di Martino, Seungik Baek

### [Volume 41 Issue 8 – August 2013](#)

Special Section: Movement Variability, Guest editors: Thurmon Lockhart, Nick Stergiou

### [Volume 41 Issue 9 – September 2013](#)

Special Section on Best Practices in Biomedical Design, Innovation and Translation (Supported by the Coulter Foundation); Guest Editors: John Desjardins, Andrew DiMeo

### [Volume 41 Issue 2 – February 2014](#)

Special Issue: Frontiers in Bioengineering, Guest Editors: Gang Bao, Bob Nerem,

[Volume 41 Issue 7 – July 2014](#)

Special Issue on Tissue Engineering and Regenerative Medicine, Guest Editors: Tzung Hsiai, Song Li, Nenad Bursac
