The Author of the Article as specified herein, hereby transfers copyright and assigns to the Society of Surgical Oncology all rights, title, and interest that the Author may have, or may at any time be found to have (for United States Government employees to the extent transferable) in and to the Article and any revisions or versions thereof, including, but not limited to, the sole right to print, publish, and sell the Article throughout the World in all languages and media.

This assignment shall be deemed in effect if and when the Article is accepted for publication.

Should the Article contain any material protected by the copyright of others, the Author will deliver to the Society of Surgical Oncology written permission from the copyright owner to reproduce such material in the Article.

An author may self-archive an author-created version of his/her article on his/her own website. He/she may also deposit this version on his/her institution's and funder's (funder designated) repository at the funder's request or as a result of a legal obligation, including his/her final version, provided it is not made publicly available until after 12 months of official publication. He/she may not use the publisher's PDF version which is posted on www.springerlink.com for the purpose of self-archiving or deposit. Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer's website. The link must be accompanied by the following text: "The original publication is available at www.springerlink.com".

Please use the appropriate DOI for the article in the link. (This is designed to be a constant in the online environment. The structure of the link is http://dx.doi.org/DOIprefix/suffix;  Example: http://dx.doi.org/10.1007/s00348-004-0843-x. The URL for the article appears in the Author Alert email the corresponding author receives when his/her article is first published online at SpringerLink. The DOI of the article is visible in a search result and on the article page at SpringerLink). Articles disseminated via www.springerlink.com are indexed, abstracted, and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

The Author represents and warrants that he/she is the author and proprietor of the Article, that he/she has not granted or assigned any rights in the Article to any other person or entity, that the Article is copyrightable, that it does not infringe upon any copyright, trademark, or patent, that it does not invade the right of privacy or publicity of any person or entity, that it does not contain any libelous matter, that all statements asserted as facts are true or based upon reasonable research for accuracy and that, to the best of the Author's knowledge, no formula, procedure, or prescription contained in the Article would cause injury if used or followed in accordance with the instructions and/or warnings contained in the Article.

The Author will indemnify the Society of Surgical Oncology against any costs, expenses, or damages that the Society of Surgical Oncology may incur or for which the Society of Surgical Oncology may become liable as a result of any breach of these warranties. These representations and warranties may be extended to third parties by the Society of Surgical Oncology.
