

Copyright Transfer Statement

Aesthetic Plastic Surgery

The copyright to this article is equally and jointly transferred to Springer and the International Society of Aesthetic Plastic Surgery (respective to owner if other than Springer and U.S. government employees: to the extent transferable) effective if and when the article is accepted for publication. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

Authors may self-archive the author's accepted manuscript of their articles on their own websites. Authors may also deposit this version of the article in any repository, provided it is only made publicly available 12 months after official publication or later. He/she may not use the publisher's version (the final article), which is posted on SpringerLink and other Springer websites, for the purpose of self-archiving or deposit. Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer's website. The link must be accompanied by the following text: "The final publication is available at link.springer.com".

<http://www.springer.com/open+access/authors+rights?SGWID=0-176704-12-683201-0>

Please use the appropriate DOI for the article in the link. (This is designed to be a constant in the online environment. The structure of the link is <http://dx.doi.org/DOIprefix/suffix>; Example: <http://dx.doi.org/10.1007/s00348-004-0843-x>. The URL for the article appears in the Author Alert email the corresponding author receives when his/her article is first published online at SpringerLink. The DOI of the article is visible in a search result and on the article page at SpringerLink). Articles disseminated via www.springerlink.com are indexed, abstracted, and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

The author warrants that this contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.

After submission of this agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by Springer.
