SPRINGER NATURE

2017 Media Information

Springer Nature is a leading publisher of scientific, scholarly, professional and educational content. For more than a century, our brands have set the scientific agenda. We’ve published ground-breaking work on many fundamental achievements, including the splitting of the atom, the structure of DNA, and the discovery of the hole in the ozone layer, as well as the latest advances in stem-cell research and the results of the ENCODE project.

Our dominance in the scientific publishing market comes from a company-wide philosophy to uphold the highest level of quality for our readers, authors and commercial partners.

Cancellations are not accepted after the closing date for space reservations.
If an advertiser fails to provide new artwork for a particular issue by the printed deadline (or a pre-approved extension granted by the publisher), then the publisher will pick up the most recent artwork provided. If no artwork is on hand, then the advertiser will still be responsible for payments on space.

Acceptance Policy: The Publisher reserves the right to review and reject any advertising submitted to the journal which it deems as inappropriate for editorial content.

ONLINE ADVERTISEMENTS target the most active members of your target audience as they source information. Springer is a worldwide leader for providing dependable, essential e-information. Connect with your target audience with our online advertising options, or create a more robust impact with both print and online ads.

Our Advertising team focuses on two online advertising options:

**Banner Ads** - An embedded ad placed on our research site SpringerLink.com. Sized at 160x600, these ads are positioned on the top right of our web pages directly adjacent to our content listing. The new, wider skyscraper position will guarantee attention on your brand.

**e-TOC Alert** - An EXCLUSIVE right to advertise in our reader-subscribed email blast, on a per issue purchase basis. This alert details a summary of future content in the upcoming journal issue. Sized at 468x60, it is placed directly above the content listing in the email. These alerts have the highest click-through rates of all Springer e-products.
