

## International Cancer Conference Journal Conflict of Interest Disclosure Statement

Manuscript Title: \_\_\_\_\_

### Each author is required to complete and return this form to the corresponding author.

When submitting a manuscript to the International Cancer Conference Journal, all authors are required to disclose any financial relationship with a biotechnology manufacturer, a pharmaceutical company, or other commercial entity that has an interest in the subject matter or materials discussed in the manuscript. The matters requiring disclosure are outlined in Clinical Oncology Research Conflict of Interest Policy (IV. Matters Requiring Disclosure).

All of the forms from each author need to be uploaded online and submitted with the manuscript at the time of submission by the corresponding author. Certify that all financial and material support for this research and work are clearly identified **in a separate sheet** as follows.

#### **Conflict of Interest Statement**

A (author name) serves as a consultant to Z (entity name); B's spouse is chairman of Y; C received a research grant from X; D received lecture fees from V; E holds a patent on U; F has been reimbursed by T for attending several conferences; G received honoraria for writing promotional material for S; H has no conflict of interest.

or

#### **Conflict of Interest Statement**

The authors declare that they have no conflict of interest.

If you, your spouse, or other immediate family member, has any of the listed relationships with a commercial entity that has an interest in the subject matter in your manuscript, please refer it to the JS CO's definition for conflict of interest which must be disclosed (<http://www.jSCO.or.jp/english/index/page/id/77>). And then, check the appropriate "Yes" box below and provide details. If the listed relationship does not apply to you or your family member, check the appropriate "No" box.

Categories	No		Yes (Give names of authors and entities)
1. Employment/Leadership position/ Advisory role	<input type="checkbox"/>	<input type="checkbox"/>
