Copyright Statement

Title of the volume:

Volume editor(s):

Book series: Advances in Mathematical Fluid Mechanics (AMFM)

Title of contribution:

Author(s): (Please fill out in block letters)

It is hereby agreed that the Author(s) (hereinafter called Author) grants and assigns to Birkhäuser Verlag AG Basel • Boston • Berlin (hereinafter called Birkhäuser Verlag) the sole right to print, publish, and sell throughout the world the said contribution and parts thereof, including all future revisions and in any medium, such as in its electronic form (offline, online), as well as to translate, print, publish, and sell the contribution in any foreign languages and throughout the world.

The Author warrants that the contribution is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder and author thereof, in which case(s) the Author is required to obtain the permission and to indicate the precise source. Birkhäuser Verlag has the right to permit others to use individual illustrations within the usual limits.

The Author warrants that the contribution has not heretofore been published in whole or in part, that it contains no aspersive statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others; and that they will indemnify Birkhäuser Verlag against any cost, expenses or damages for which Birkhäuser Verlag may become liable as a result of any breach of this warranty. Birkhäuser Verlag agrees to make all reasonable efforts to act in the interests of the Author and his employer, as well as in its own interests.

The corresponding author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors (i.e., the Author).

To signify his/her agreement with the foregoing terms and conditions the corresponding author has signed this document and returned to the volume editors together with the manuscript.
