Sessions

- Impact of pollutants on **microbial functions**
- Response of microorganisms to pollutants under **multi-stress conditions**
- Impact of pollutants on the **interactions** among micro- or between micro- and macro-organisms
- Microorganisms as a tool for **a priori** and **a posteriori** environmental risk assessment
- Role of microbial communities in **pollutant fate, distribution and degradation**

**KEY DATES**

**Call for abstract submission:**
Call open: 2 January 2017
Deadline: 7 April 2017

**Early registration:**
Registration open: 2 January 2017
Deadline: 20 September 2017

**Late registration:**
Deadline: 5 November 2017
