This Conference provides a forum and a dialogue platform for researchers and practitioners around the Mediterranean on recent and innovative developments regarding the use of Advanced Oxidation Processes for sustainable water management. This conference will be organised in terms of invited lecturers contributions as well as refereed oral and poster presentation. An exhibition space will give the opportunity to companies to present their products and services.

**CONFERENCE TOPICS**

**Session 1:** Advanced Oxidation Process (Photocatalysis, electrochemical treatment, ozonation,...)

**Session 2:** Materials and Engineering in AOP field (nanomaterials, coating, doping,…)

**Session 3:** Case study of AOP: Implementation in industrial or urban context.

**Session 4:** Sustainable water management (approaches and tools, treatment, combination with AOP for water recycling)

**REGISTRATION FEES**

Registration fees cover proceedings, attendance of the conference, coffee breaks, technical visit, gala dinner and accommodation for 2 nights; 2 & 3 November 2017.

*Fees will be transferred to the agency in charge of the organization.
