Don't Miss Out on the Upcoming ISOQOL Webinar

How to Write a Good Peer Review for an Academic Journal

Learn the Do's and Don'ts of writing a constructive peer-review.

At the end of the webinar you'll have a better understanding of what is peer-review, why you should engage in peer-review, and what to consider before agreeing to review an article.

**Date & Time:**
Wednesday, 3 May 2017
10:00 AM CDT

**Feature Presenters**

**William R. Lenderking, PhD**
Evidera, Vice President, Outcomes Research
Waltham, Massachusetts, USA

**Jan. R. Boehnke, PhD**
Senior Research Fellow in Evaluation Design and Research Methods
Dundee Centre for Health And Related Research
School of Nursing and Health Sciences
University of Dundee
Dundee, United Kingdom

**Description**

This webinar will focus on the peer review process with a special focus on PROMs and QoL. New and experienced researchers will discuss the importance of a sound review and establish a structured approach and criteria to facilitate the peer-review process.

**Learning Objectives**

- Participants will learn important aspects of reviewing a manuscript for a scientific journal
- Participants will be able to write a sound and structured peer-review
