Obesity Surgery, the peer-reviewed scientific journal for bariatric surgeons, provides an international interdisciplinary forum for communicating the latest research, surgical and laparoscopic techniques, for treatment of massive obesity. Topics covered include original research, reviews, technical innovations, guidelines, letters to the editor, medicolegal issues, invited commentaries, scholarly presentations, meeting abstracts, and alerts on the latest equipment.

- An international, interdisciplinary forum for the latest research, surgical and laparoscopic techniques used in treatment of massive obesity
- Covers original research, reviews, technical innovations, case reports, medicolegal issues and more
- Benefits professionals from surgeons to nutritional scientists and others dealing with eating disorders

Obesity Surgery is the official journal of the International Federation for the Surgery of Obesity and metabolic disorders (IFSO). A journal for bariatric/metabolic surgeons, Obesity Surgery provides an international, interdisciplinary forum for communicating the latest research, surgical and laparoscopic techniques, for treatment of massive obesity and metabolic disorders. Topics covered include original research, clinical reports, current status, guidelines, historical notes, invited commentaries, letters to the editor, medicolegal issues, meeting abstracts, modern surgery/technical innovations, new concepts, reviews, scholarly presentations and opinions

Readership: Obesity Surgery readership includes surgeons performing obesity surgery: general surgeons and surgical residents, plastic surgeons, endoscopists, dietitians, psychiatrists, internists including endocrinologists and diabetologists, nutritional scientists, and those dealing with eating disorders.

**Cancellations are not accepted after the closing date for space reservations.**

If an advertiser fails to provide new artwork for a particular issue by the printed deadline (or a pre-approved extension granted by the publisher), then the publisher will pick up the most recent artwork provided. If no artwork is on hand, then the advertiser will still be responsible for payments on space.

**Acceptance Policy:** The Publisher reserves the right to review and reject any advertising submitted to the journal which it deems as inappropriate for editorial content.

**Stock weight:** Maximum 80 # gloss.
**Quantity:** Amount from “total circulation” plus 10% “additional”. It is recommended that the advertiser contact Corporate Advertising, when an issue has a larger print run.
**Closing date:** Same as ad closing date.

PRODUCTION REQUIREMENTS

**Electronic file format:** PDF, JIFF, or TIFF format.

**INSERTS SHOULD BE SENT TO:**
Obesity Surgery • The Sheridan Press • 450 Fame Avenue • Hanover, PA 17331
ONLINE ADVERTISEMENTS target the most active members of your target audience as they source information. Springer is a worldwide leader for providing dependable, essential e-information. Connect with your target audience with our online advertising options, or create a more robust impact with both print and online ads.

Our Advertising team focuses on two online advertising options:

Banner Ads - An embedded ad placed on our research site SpringerLink.com. Sized at 160x600, these ads are positioned on the top right of our web pages directly adjacent to our content listing. The new, wider skyscraper position will guarantee attention on your brand.

e-TOC Alert - An EXCLUSIVE right to advertise in our reader-subscribed email blast, on a per issue purchase basis. This alert details a summary of future content in the upcoming journal issue. Sized at 468x60, it is placed directly above the content listing in the email. These alerts have the highest click-through rates of all Springer e-products.

BROWSE OUR JOURNALS AT SPRINGERLINK.COM

SpringerLink is an integrated full-text database for journals, books, protocols, eReferences, and book series published by Springer, and offers free access to search, tables of content, abstracts, and alerting services. SpringerLink currently offers 2,774 fully peer-reviewed journals and 55,459 books online.

General and detailed information about our journals, books, software and other products is available on our corporate website Springer.com. Watch our online tutorial to find out how to browse, search, access, order, and more on SpringerLink.

SpringerLink Stats:
- SpringerLink receives over 3 million page impressions daily (Source: Google Analytics)
- In 2015 SpringerLink.com had 85 million unique visitors and 155 million visits (Source: Google Analytics)
- The average click rate for banner ads placed on SpringerLink.com is .10 (Source: Google Analytics)
- SpringerLink hosts more than 2,700 scientific journals
- On average each journal reaches about 6,576 E-Toc Subscribers (Numbers may vary due to fluctuation and popularity of journal)
Advertise with Springer Healthcare
