

## INFORMATION FOR AUTHORS

**Manuscript Submission.** The preferred way for manuscript submission to *The Journal of Fourier Analysis and Applications*, is to **email** the paper in **PDF** format to **jfaa.mathematik@univie.ac.at**. A L<sub>A</sub>T<sub>E</sub>X file (figures PicT<sub>E</sub>X or separately as EPS-files) or a Postscript file, if this is not too large, are also acceptable. If the file is very large or contains a large number of figures, please contact the editorial office before submitting. In any case, please include a list of Keywords and Mathematical Reviews Classification numbers in the paper. Alternatively, mail three copies of the manuscript to: *The Journal of Fourier Analysis and Applications*, Faculty of Mathematics, University of Vienna, Nordbergstrasse 15, A-1090 Vienna, Austria.

Submission of a paper represents that the paper is not currently submitted elsewhere. Standard copyright assignments will be made by authors.

**Manuscript Style.** Papers must be prepared in some form of T<sub>E</sub>X, double spaced with consecutively numbered pages. In L<sub>A</sub>T<sub>E</sub>X use the Article.sty style. In other versions of T<sub>E</sub>X use *plain vanilla*; keep macros to a minimum.

**References.** References should be arranged in alphabetic order at the end of the paper.

**Figures.** Authors are responsible for providing figures (if any) of suitable quality for reproduction.

**Reprints.** There are no page charges. Authors jointly will receive 50 free offprints which will be sent to the corresponding author. Additional offprints may be ordered prior to publication.

Further details on these matters may be obtained by writing to the editorial office:
