Conjoint Behavioral Consultation
Promoting Family-School Connections and Interventions

S.M. Sheridan, Th.R. Kratochwill

A step-by-step framework for developing and maintaining family/school partnerships takes readers from diagnostic interviews through to plan evaluation.

Chapters analyze core interpersonal skills, including building trust, conflict management, and effective communication.

Practical strategies illustrate working with diverse families and school personnel, improving family competence, promoting joint responsibility, and other collaborative goals.

Case studies show CBC implemented in traditional school, Head Start, pediatric health, and Response to Intervention contexts.

Important features in this new edition include:

- A step-by-step framework for developing and maintaining family/school partnerships takes readers from initial interviews through plan evaluation.
- Chapters include discussion on core interpersonal skills, including building trust, managing conflict, and communicating effectively.
- Practical strategies illustrate working with diverse families and school personnel, improving family competence, promoting joint responsibility, and achieving other collaborative goals.
- Case studies demonstrate CBC as implemented in traditional school, Head Start, pediatric health, and response-to-intervention (RtI) contexts.
- In-depth research review explains the efficacy of CBC.
