Digestive Diseases and Sciences

Editor-in-Chief: J. Kaunitz

Managing Editor: M. Keeffe

- ▶ **98% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again**

Digestive Diseases and Sciences publishes high-quality, peer-reviewed, original papers addressing aspects of basic/translational and clinical research in gastroenterology, hepatology, and related fields. This well-illustrated journal features comprehensive coverage of basic pathophysiology, new technological advances, and clinical breakthroughs; insights from prominent academicians and practitioners concerning new scientific developments and practical medical issues; and discussions focusing on the latest changes in local and worldwide social, economic, and governmental policies that affect the delivery of care within the disciplines of gastroenterology and hepatology.

Submit your article to *Digestive Diseases and Sciences*, a journal that continues to expand and evolve within the fields of gastroenterology and hepatology.

Impact Factor: 2.875 (2016), Journal Citation Reports®
