Environment Systems and Decisions
Formerly The Environmentalist
Co-Editor-In-Chief: I. Linkov; J.H. Lambert

Environment Systems & Decisions addresses the needs and perspectives of infrastructure owner/operators, engineers, environmental professionals, and risk managers through technical articles, editorials, interviews, and news columns. The journal contains elements applicable to researchers and to education and training of technology and environmental experts across disciplines, including specialist and generalist training, regulators and policy makers, and public information including risk communication.
