The American Journal of Psychoanalysis
Editor: G. Galdi

► Communicates a broad range of contemporary clinical and theoretical concepts of psychoanalysis
► Well-established in its field, with more than 75 years of publication
► Affiliated to the Association for the Advancement of Psychoanalysis

The American Journal of Psychoanalysis (AJP) features a broad range of contemporary theoretical, clinical, professional and cultural concepts of psychoanalysis and presents related investigations in allied fields.

It is a fully peer-reviewed journal, which welcomes psychoanalytic papers from all schools of thought that address the interests and concerns of scholars and practitioners of psychoanalysis and contribute meaningfully to the understanding of human experience. The journal publishes original papers, special issues devoted to a single topic, book reviews, film reviews, reports on the activities of the Karen Horney Psychoanalytic Center, and comments.
