The Journal of Behavioral Health Services & Research

Official Publication of the National Council for Behavioral Health

Editor-in-Chief: B.L. Levin

- Explores the organization, financing, delivery, and outcomes of behavioral health services (alcohol, drug abuse, and mental disorders)
- Each article concludes with the “Implications for Behavioral Health” (policy and services delivery)
- Publishes research articles, policy perspectives, brief reports, commentaries, and book reviews
- The official publication of the National Council for Behavioral Health

This journal examines the organization, financing, delivery and outcomes of behavioral health services (i.e., alcohol, drug abuse, and mental disorders), providing practical and empirical contributions to and explaining the implications for the broader behavioral health field. Each issue includes an overview of contemporary concerns and recent developments in behavioral health policy and management through research articles, policy perspectives, commentaries, brief reports, and book reviews.

This journal is the official publication of the National Council for Behavioral Health.

Impact Factor: 2.024 (2016), Journal Citation Reports®
