Current Bladder Dysfunction Reports

Editor-in-Chief: J.S. Sandhu
Associate Editor: W.I. Jaffe

- Presents the views of experts on current advances in bladder dysfunction in a clear and readable form
- Gathers and synthesizes important recent papers on bladder dysfunction
- Alerts readers to useful web sites on the topic

Current Bladder Dysfunction Reports provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of the spectrum of urologic conditions that contribute to bladder dysfunction.
