Current Hypertension Reports
Editor-in-Chief: S. Oparil

► Presents the views of experts on current advances in hypertension in a clear and readable form
► Gathers and synthesizes important recent papers on hypertension

Current Hypertension Reports provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of conditions associated with hypertension.

Impact Factor: 3.036 (2016), Journal Citation Reports®
