Endocrine Pathology
Editor-in-Chief: L. Erickson

100% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again.

Endocrine Pathology publishes refereed original articles on clinical and basic aspects of endocrine disorders, focusing on the diagnostic aspects of endocrine pathology. Coverage includes book reviews, clinical case presentations, and descriptions of techniques. Particular attention is paid to new developments in the diagnostic applications of molecular biology and immunohistochemistry.

Impact Factor: 1.936 (2016), Journal Citation Reports®
