PalZ
Paläontologische Zeitschrift
Editor-in-Chief: M. Reich

Founded in 1913, PalZ (Paläontologische Zeitschrift) is one of the journals with the longest tradition in the field of palaeontology to be published by a professional palaeontological society, the Paläontologische Gesellschaft. The journal is dedicated to the promotion of palaeontology as a scientific discipline and publishes high-quality research and review papers on all aspects of this field.

Impact Factor: 1.095 (2016), Journal Citation Reports®
