Psychological Studies
Editor-in-Chief: D. Suar

Psychological Studies is the official journal of the National Academy of Psychology (NAOP), India. The journal contains articles covering current issues in psychology, the science and practice of psychology, and psychology's contribution to public policy.

The journal aims to provide a forum for high quality research encompassing all areas of psychology. It focuses on the centrality of co-construction of cultural and psychological processes and facilitates understanding psychology from diverse theoretical perspectives. The journal is publication outlet of empirical investigations; theoretical papers, reviews, methodological, applied and policy-related articles. Research in psychology is encompassing almost all areas of life. Therefore, the journal sets a preference for innovative and comprehensive reports and includes all modes of research — experimental, observational, ethnographic, textual, interpretive and survey.
