International Journal of Behavioral Nutrition and Physical Activity

Editor-in-Chief: R. Jago
Managing Editor: L. Wood
Deputy Editor-in-Chief: C. Collins; K. Davison; E. Cerin

- Affiliated with International Society of Behavioral Nutrition and Physical Activity
- Impact Factor: 4.11
- Unique focus on the behavioural psychology of physical activity and health eating

IJBNPA is unique in several respects – its focus on the behavioral aspects of diet and physical activity; its inclusion of multiple levels of analysis, including populations, groups and individuals; and its inclusion of epidemiology, and behavioral, theoretical and measurement research areas. Manuscripts that present theoretical innovations with respect to diet and physical activity behaviors are of particular interest.

Impact Factor: 4.396 (2016), Journal Citation Reports®

Giving authors in their area of expertise the opportunity to publish open access
- High visibility thanks to unrestricted online access
- Rigorous peer-review and high-quality author services
- Creative Commons licensed – authors retain copyright
- Citation tracking and inclusion in bibliographic databases
- Easy compliance with open access mandates
