Scandinavian Journal of Trauma, Resuscitation and Emergency Medicine

Editor-in-Chief: K. Bache
Co-Editors-in-Chief: D. Lockey; H.M. Lossius

► Official journal of the Norwegian Air Ambulance Foundation
► Highly-cited Emergency Medicine journal-1st quartile of the ISI Emergency Medicine category
► Unique focus on the multidisciplinary aspects of the chain of survival

Scandinavian Journal of Trauma, Resuscitation and Emergency Medicine (SJTREM) is the official journal of the Norwegian Air Ambulance Foundation and Scandinavian Networking Group on Trauma and Emergency Management. The journal publishes articles on all aspects of anesthesiology, emergency medicine, resuscitation and trauma, and, in particular, the speed of assistance in survival. SJTREM is an essential resource for emergency medical technicians, trauma nurse practitioners, emergency surgeons and anesthesiologists.
