## Annals of Microbiology

Editor-in-Chief: F. Cappitelli

- ▶ A long-established journal covering fundamental and applied microbiology
- ▶ Includes bacteria, fungi, microalgae, and bacteriophages
- ▶ No publication charges for regular articles (for extra services see our Instructions for Authors)
- ▶ Originally founded as *Annali Di Microbiologia Ed Enzimologia* in 1940
- ▶ 98% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

**Annals of Microbiology** covers these fields of fundamental and applied microbiology:

general, environmental, food, agricultural, industrial, ecology, soil, water, air and biodeterioration.

The journal's scope does not include medical microbiology or phytopathological microbiology.

Papers reporting work on bacteria, fungi, microalgae, and bacteriophages are welcome.

**Annals of Microbiology** publishes Review Articles, Original Articles, Short Communications, and Editorials.

Originally founded as *Annali Di Microbiologia Ed Enzimologia* in 1940, **Annals of Microbiology** is an official journal of the University of Milan.

Impact Factor: 1.122 (2016), Journal Citation Reports®
