Agriculture & Food Security
Editors-in-Chief: M. Elliott; M. Madkour

► Fully open access and highly publicised
► Eminent international Editorial Board
► Broad scope covering basic science to policy

Agriculture & Food Security is a peer-reviewed open access journal that addresses the challenge of global food security. It publishes articles within the field of food security research, with a particular focus on research that may inform more sustainable agriculture and food systems that better address local, regional, national and/or global food and nutritional insecurity.

Giving authors in their area of expertise the opportunity to publish open access
► High visibility thanks to unrestricted online access
► Rigorous peer-review and high-quality author services
► Creative Commons licensed – authors retain copyright
► Citation tracking and inclusion in bibliographic databases
► Easy compliance with open access mandates

Electronic access
