Global Journal of Flexible Systems Management

Editor-in-Chief: Sushil

- ▶ Gathers and disseminates research on the paradigm of Flexible Systems Management
- ▶ Encourages cross-functional research in the area of flexibility
- ▶ Links flexibility with leading edge research strategic and organization management
- ▶ Published under the auspices of the Global Institute of Flexible Systems Management

This journal presents concepts, research and practical narrative aimed at helping organizations to become more flexible -- more adaptive, responsive and agile -- at the level of strategy, structure, systems, people and culture.
