Communications in Mathematics and Statistics

Editor-in-Chief: Z.-M. Ma
Field Editors: F. Chen; J. Li; X. Ye; T. Zhang; B. Miao
Managing Editor: W. Guo

Communications in Mathematics and Statistics is a peer reviewed international journal published by Springer-Verlag in collaboration with the School of Mathematical Sciences, University of Science and Technology of China (USTC). The journal will be committed to publish high level original peer reviewed research papers in various areas of mathematical sciences, including pure mathematics, applied mathematics, computational mathematics, and probability and statistics. Typically one volume is published each year, and each volume consists of four issues.
