The *Journal of Global Entrepreneurship Research* (JGER) publishes peer-reviewed original open access articles on Entrepreneurship in a global perspective. JGER aims to address theoretical and empirical research issues that impact the development of entrepreneurship as a scientific discipline and promote its efficacy on the economic, social and cultural contexts, both domestically and globally. The journal, which is published under the SpringerOpen brand, also attempts to contribute to achievement of the Global Entrepreneurship Monitor (GEM) goals and development of GEM paradigms.
