Behavior Analysis in Practice

Editor-in-Chief: M. Dixon

- Offers science-based best-practice information on service delivery in behavior analysis
- Benefits front-line service workers and supervisors, scientist-practitioners, and educators in the behavioral sciences
- An official journal of the Association for Behavior Analysis International

This journal provides science-based best-practice information on service delivery in behavior analysis. Covers application and evaluation of procedures and programs, professional practice issues, data analysis and instrumentation, terms, procedures and more.
