The Geneva Papers on Risk and Insurance - Issues and Practice
Editor: C. Courbage

► The flagship journal of the Geneva Association
► An authoritative resource in current insurance and risk practice for industry professionals, academics and policymakers

Founded by the Geneva Association in 1973, The Geneva Papers on Risk and Insurance - Issues and Practice (GPP) still leads its field, publishing papers which both improve the scientific knowledge of the insurance industry and stimulate constructive dialogue between the industry and its economic and social partners.

Each issue of the journal is devoted to a relevant topic of contemporary interest. Major topics include: Bank Assurance, Financial Services (regulation and management), New Perspectives in the Welfare State, Developments in the Health Sector, and Technological Issues.

Impact Factor: 0.303 (2016), Journal Citation Reports®
