Development
Editor: S. Prato

- The flagship journal of the Society for International Development (SID)
- Explores innovative perspectives on the crucial issues in development
- Well-established in its field, with more than 50 years of publication

Development connects research, experience, activism and alternative thinking. The journal aims to provide a unique resource and point of reference for the dialogue between activists and intellectuals committed to the search for alternative paths of social transformation towards a more sustainable and just world.

Development tackles the hard hitting issues of today, listening to the oppositional voices and bringing in local and innovative perspectives from the margins to the global development discourse. It also explores collective initiatives at local, regional and international levels which promote sustainable livelihoods and women’s empowerment.
