Sleep and Vigilance
An International Journal of Basic, Translational and Clinical Research
Editors-in-Chief: R. Gupta; S.R. Pandi-Perumal

► A global podium for biomedical and clinical researchers to present and discuss their work
► Covers research on the nature and definitions of sleep, as well as sleep medicine and disorders and more
► Published in collaboration and with editorial support from the Indian Society for Sleep Research (ISSR)

This journal is a forum for biomedical and clinical researchers to present research articles, case reports, clinical investigations, review articles and short communications. Covers sleep at the molecular and genetic level, imaging, medical topics and more.
