Call for papers!

The Journal is seeking original contributions. If you are writing or have written a scholarly paper that explores child, adolescent, and parent group treatment, please send 4 legibly typed copies of your manuscript to: Edward Soo, Editor, P.O. Box 427, Tenafly, NJ 07670

Journal of Child and Adolescent Group Therapy
is devoted to the publication of original papers in current child, adolescent, and parent group treatment. This journal publishes not only clinical reports, illustrations of new developments, and research that contributes to the advancement of therapeutic results, but also articles on theoretical issues, applications, and the group process. The journal is a forum for the exchange of new ideas from other disciplines concerned with children and adolescents that will enhance the treatment of the child and adolescent in a group. The journal also features reviews of new literature on child, adolescent, and group therapy. The Editor welcomes readers’ suggestions and comments.
