

New Journal  
Editor-in-Chief:  
Askold Khovanskii  
Managing Editor:  
Vladlen Timorin

# Arnold Mathematical Journal

Published in association with the  
Institute for Mathematical Sciences (IMS)

- This journal presents interdisciplinary results in mathematics, in a style that is understandable and always interesting
- Honoring the work of Vladimir Arnold, this journal presents mathematical research in an accessible form
- Articles use formal and informal approaches to express sophisticated concepts, aiming to “unhide” the process of mathematical discovery
