Journal of Medical and Biological Engineering

- The official journal of the Taiwanese Society of Biomedical Engineering
- Publishes papers related to clinical engineering, biomedical signals, medical imaging, bio-informatics, tissue engineering, and so on
Journal of Medical and Biological Engineering
Editors-in-Chief: An, K.-N.; Su, F.-C.
ISSN: 1609-0985 (print version)
ISSN: 2199-4757 (electronic version)
Journal no. 40846
