CONTENTS

PART I. PHENOMENOLOGY 1

1. Symptom Dimensions in OCD: Developmental and Evolutionary Perspectives .................................................. 3
   James F. Leckman, David Mataix-Cols, and Maria Conceição do Rosario-Campos

2. Dimensional and Subtype Models of OCD .......................................................... 27
   Steven Taylor
   Reply to Taylor. Combined Dimensional and Categorical Perspectives as an Integrative Approach to OCD ........... 43
   James F. Leckman, David Mataix-Cols, and Maria Conceição do Rosario-Campos
   Reply to Leckman et al. Putting the Symptom Dimension Model to the Test ...................................................... 49
   Steven Taylor

3. Animal Models of Obsessive Compulsive Disorder: A Neurobiological and Ethological Perspective ............... 53
   Nicholas H. Dodman and Louis Shuster

4. Behavioral and Functional Models of OCD ........................................................................ 73
   Arthur C. Houts
   Reply to Houts. A Dysfunctional Animal Model of OCD ........ 87
   Nicholas H. Dodman
   Reply to Dodman and Shuster. Animal Models and Two Traditions in OCD Research .............................. 91
   Arthur C. Houts

5. The Case for the OCD Spectrum ................................................................. 95
   Eric Hollander, Jennifer P. Friedberg, Stacey Wasserman, Chin-Chin Yeh, and Rupa Iyengar

6. Obsessive-Compulsive Disorder: Essential Phenomenology and Overlap with Other Anxiety Disorders .............. 119
   Jonathan S. Abramowitz and Brett J. Deacon
Reply to Abramowitz and Deacon. Beyond Anxiety: Etiological and Functional Overlaps Between OCD and OC Spectrum Disorders .................................................. 137
Eric Hollander and Chin-Chin Yeh

Reply to Hollander et al. The OC Spectrum: A Closer Look at the Arguments and the Data ........................................ 141
Jonathan S. Abramowitz and Brett J. Deacon

Dan J. Stein, Christine Lochner, Sian Hemmings, and Craig Kinnear

8. Overlap of Body Dysmorphic Disorder and Hypochondriasis with OCD ........................................ 163
Fugen Neziroglu and SonyKhemlani-Patel

9. Contrasting Nonparaphilic Sexual Addictions and OCD ........................................ 177
Stefanie A. Schwartz and Jonathan S. Abramowitz

10. Compulsive Buying: A Disorder of Compulsivity or Impulsivity ........................................ 185
Lorraine A. Swan-Kremeir, James E. Mitchell, and Ronald J. Faber

11. Contrasting Tourette’s Syndrome and Tic Disorders with OCD ........................................ 191
Kieron O’Connor

PART II. ETIOLOGY ........................................ 207

12. Neuropsychiatric Models of OCD ........................................ 209
David R. Rosenberg, Aileen Russell, and Andrea Fougere

13. Cognitive-Behavioral Models of OCD ........................................ 229
Roz Shafran

Reply to Shafran. Biological and Cognitive Models of OCD: Seeking Similarities and Achieving Progress Together ........ 253
David R. Rosenberg, Aileen Russell, and Andrea Fougere

Reply to Rosenberg et al. Biological Versus Psychological Approaches to OCD: War or Peace? ...................... 255
Roz Shafran and Anne Speckens

PART III. TREATMENT ........................................ 261

Jeanne Fama and Sabine Wilhelm

15. Treatment for OCD: Unleashing the Power of Exposure ........................................ 283
Michael J. Kozak and Meredith E. Coles

Reply to Kozak and Coles. Expanding the Conceptualization of Cognitive Therapy and its Therapeutic Potential ........ 305
Jeanne Fama and Sabine Wilhelm
Reply to Fama and Wilhelm. Cognitive Therapy and Exposure Treatment for OCD: Contrast and Rapprochement ................. 311
Michael J. Kozak and Meredith E. Coles

16. The Role of the Therapist in Behavior Therapy for OCD ........ 317
David F. Tolin and Scott Hannan

17. Self-Directed Exposure in the Treatment of OCD ............... 333
Cheryl N. Carmin, Pamela S. Wiegartz, and Kevin D. Wu

  Reply to Carmin et al. What’s in a Name? The Distinction Between Self-Directed and Self-Conducted Treatment .......... 347
  David F. Tolin and Scott Hannan

  Reply to Tolin and Hannan. Self-Directed Versus Therapist-Directed Treatment: Additional Considerations ............ 353
  Cheryl N. Carmin, Pamela S. Wiegartz, and Kevin D. Wu

18. Combining Pharmacotherapy and Cognitive-Behavioral Therapy in the Treatment of OCD .................................................. 359
H. Blair Simpson and Michael R. Liebowitz

Martin E. Franklin

  Reply to Franklin. Using Combination Treatments for OCD .... 391
H. Blair Simpson and Michael R. Liebowitz

  Reply to Simpson and Liebowitz. Meeting in the Middle, then Moving Forward Together .................................................. 395
Martin E. Franklin

Author Index .......................................................... 401
Subject Index .......................................................... 423
Concepts and Controversies in Obsessive-Compulsive Disorder
Abramowitz, J.S.; Houts, A.C. (Eds.)
2005, XVIII, 438 p., Hardcover
