Contents

Foreword by Jerry F. Franklin ............................................... v
Preface ........................................................................ ix
Contributors ............................................................... xvii

Part I Introduction

1 Disturbance, Survival, and Succession: Understanding Ecological Responses to the 1980 Eruption of Mount St. Helens .................................. 3
Virginia H. Dale, Frederick J. Swanson, and Charles M. Crisafulli

2 Geological and Ecological Settings of Mount St. Helens Before May 18, 1980 13
Frederick J. Swanson, Charles M. Crisafulli, and David K. Yamaguchi

Frederick J. Swanson and Jon J. Major

Part II Survival and Establishment of Plant Communities

4 Plant Responses in Forests of the Tephra-Fall Zone ........................ 47
Joseph A. Antos and Donald B. Zobel

5 Plant Succession on the Mount St. Helens Debris-Avalanche Deposit ........ 59

6 Geomorphic Change and Vegetation Development on the Muddy River Mudflow Deposit ................................................................. 75

7 Proximity, Microsites, and Biotic Interactions During Early Succession .... 93
Roger del Moral, David M. Wood, and Jonathan H. Titus

Part V Lessons Learned

19 Ecological Perspectives on Management of the Mount St. Helens Landscape
   Virginia H. Dale, Frederick J. Swanson, and Charles M. Crisafulli
   277

20 Overview of Ecological Responses to the Eruption of Mount St. Helens:
   1980–2005 ............................................................ 287
   Charles M. Crisafulli, Frederick J. Swanson, and Virginia H. Dale

Bibliography ............................................................... 301
Glossary .................................................................. 329
Index ..................................................................... 335

Note: A Web site has been established at http://www.fsl.orst.edu/msh/ containing background details (pictures, data details, graphs, etc.) to supplement the information included in this book.
Ecological Responses to the 1980 Eruption of Mount St. Helens
Dale, V.H.; Swanson, F.J.; Crisafulli, C.M. (Eds.)
2005, XX, 342 p., Hardcover
