## Contents

Foreword by Jerry F. Franklin ............................................... v
Preface .................................................................... ix
Contributors ............................................................... xvii

### Part I Introduction

1 Disturbance, Survival, and Succession: Understanding Ecological Responses to the 1980 Eruption of Mount St. Helens ................................ 3
   Virginia H. Dale, Frederick J. Swanson, and Charles M. Crisafulli

2 Geological and Ecological Settings of Mount St. Helens Before May 18, 1980 13
   Frederick J. Swanson, Charles M. Crisafulli, and David K. Yamaguchi

   Frederick J. Swanson and Jon J. Major

### Part II Survival and Establishment of Plant Communities

4 Plant Responses in Forests of the Tephra-Fall Zone .................. 47
   Joseph A. Antos and Donald B. Zobel

5 Plant Succession on the Mount St. Helens Debris-Avalanche Deposit ...... 59

6 Geomorphic Change and Vegetation Development on the Muddy River Mudflow Deposit . ..................................................... 75

7 Proximity, Microsites, and Biotic Interactions During Early Succession ...... 93
   Roger del Moral, David M. Wood, and Jonathan H. Titus

xiii
Remote Sensing of Vegetation Responses During the First 20 Years Following the 1980 Eruption of Mount St. Helens: A Spatially and Temporally Stratified Analysis ................................................... 111

Rick Lawrence

Part III Survival and Establishment of Animal Communities

Arthropods as Pioneers in the Regeneration of Life on the Pyroclastic-Flow Deposits of Mount St. Helens ................................................................. 127

John S. Edwards and Patrick M. Sugg

Posteruption Arthropod Succession on the Mount St. Helens Volcano:
The Ground-Dwelling Beetle Fauna (Coleoptera) .................................. 139

Robert R. Parmenter, Charles M. Crisafulli, Nicole C. Korbe, Gary L. Parsons, Melissa J. Krutczan, and James A. MacMahon

Causes and Consequences of Herbivory on Prairie Lupine (Lupinus lepidus) in Early Primary Succession ......................................................... 151

John G. Bishop, William F. Faigan, John D. Schade, and Charles M. Crisafulli

Responses of Fish to the 1980 Eruption of Mount St. Helens .................. 163

Peter A. Bisson, Charles M. Crisafulli, Brian R. Fransen, Robert E. Lucas, and Charles P. Hawkins

Amphibian Responses to the 1980 Eruption of Mount St. Helens .......... 183

Charles M. Crisafulli, Louise S. Trippe, Charles P. Hawkins, and James A. MacMahon

Charles M. Crisafulli, James A. MacMahon, and Robert R. Parmenter

Part IV Responses of Ecosystem Processes

Mycorrhizae and Mount St. Helens: Story of a Symbiosis ..................... 221

Michael F. Allen, Charles M. Crisafulli, Sherri J. Morris, Louise M. Egerston-Warburton, James A. MacMahon, and James M. Trappe

Patterns of Decomposition and Nutrient Cycling Across a Volcanic Disturbance Gradient: A Case Study Using Rodent Carcasses ....................... 233

Robert R. Parmenter

Lupine Effects on Soil Development and Function During Early Primary Succession at Mount St. Helens ........................................................... 243

Jonathan J. Halvorson, Jeffrey L. Smith, and Ann C. Kennedy

Response and Recovery of Lakes ..................................................... 255

Clifford N. Dahn, Douglas W. Larson, Richard R. Petersen, and Robert C. Wissmar
Contents

Part V Lessons Learned

19 Ecological Perspectives on Management of the Mount St. Helens Landscape 277
   Virginia H. Dale, Frederick J. Swanson, and Charles M. Crisafulli

20 Overview of Ecological Responses to the Eruption of Mount St. Helens: 287
   1980–2005 ............................................................
   Charles M. Crisafulli, Frederick J. Swanson, and Virginia H. Dale

Bibliography ............................................................... 301
Glossary .................................................................. 329
Index ..................................................................... 335

Note: A Web site has been established at http://www.fsl.orst.edu/msh/ containing background details (pictures, data details, graphs, etc.) to supplement the information included in this book.
Ecological Responses to the 1980 Eruption of Mount St. Helens
Dale, V.H.; Swanson, F.J.; Crisafulli, C.M. (Eds.)
2005, XX, 342 p., Hardcover
