## Contents

### Section I  Theoretical Perspectives

1  **Introduction: Issues and Themes in Forgiveness and Reconciliation** .......................................................... 3  
   Raymond F. Paloutzian and Ani Kalayjian  
   Where Does Forgiveness Fit? Systemic Violence and Peace-Building ......................................................... 4  
   Issues and Themes in This Book  
   Five Implicit and Recurring Themes .......................................... 5  
   Five Prototypical Issues ...................................................... 8  
   Conclusion and Looking Ahead ............................................. 9  
   References ........................................................................... 9  

2  **A Systemic Framework for Forgiveness, Reconciliation, and Peace: Interconnecting Psychological and Social Processes** .......................................................... 11  
   Robert F. Massey and Khawla Abu-Baker  
   A Systems Approach ........................................................... 11  
   Illustration ........................................................................ 12  
   Specifically Human Social-Psychological Capacities  
   Potentiating Harm, Forgiveness, Reconciliation, Peace ........... 14  
   Self-Processes ................................................................. 14  
   Group-Level Processes ....................................................... 22  
   Social-Structural Processes .................................................. 23  
   Conclusion ........................................................................... 27  
   References ........................................................................... 28  

3  **Forgiveness and Relational Ethics: The Perspective of the Contextual Therapist** ........................................ 33  
   Catherine Ducommun-Nagy  
   Understanding Relational Ethics ............................................ 33  
   From Family Therapy to Contextual Therapy  
   The Origins of Morality .......................................................... 34
### Contents

Defining Relational Ethics ................................. 35
The Relational Definition of Justice ....................... 36
The World of Destructive Entitlement ........................ 36
The Dark Side of Fairness .................................. 36
What Is Destructive Entitlement? ............................. 37
The Multigenerational Consequences of Destructive Entitlement .................. 38
Destructive Entitlement as an Obstacle to Forgiveness .......... 39
The World of Constructive Entitlement ....................... 41
Receiving Through Giving .................................. 41
The Healing Moment in Contextual Therapy ................... 42
The Path Toward Forgiveness ................................ 43
Multidirected Partiality .................................... 44
Forgiveness and the Balance of Giving and Receiving .......... 44
Belief Systems and Forgiveness ............................... 46
Forgiveness and Exoneration ................................. 46
Distributive and Retributive Injustices ....................... 47
How Do We Account for Distributive Injustices? ............... 48
The Supra-Individual Determinants of Forgiveness ............. 49
Forgiveness as a Group Process .............................. 49
Finding the Freedom to Forgive .............................. 50
Multidirected Partiality as a Tool for Peace .................. 52
Conclusions ................................................. 53
What Do We Gain When We Forgive Others? ................... 53
Relational Ethics as a Determinant of Peace .................... 53
References .................................................. 53

#### 4 The Psychology of Forgiveness in the World Religions .......................... 55
Charles Farhadian and Robert A. Emmons

Relationships Between Religion and Forgiveness ................. 55
  How Do Religions Foster Characteristics That Facilitate Forgiveness? ........................................ 56
  How Do Religions Oppose Characteristics That Discourage Forgiveness? ...................................... 59
  How Might Religions Impede Processes of Forgiveness? ............ 60
  What Role Do Public Religious Rituals Play in Facilitating Forgiveness? .................................. 62
  Does Personal or Corporate Religious Transformation Facilitate Forgiveness? ............................... 63
What Have We Learned from the Scientific Study of Forgiveness? ........................................... 65
  Factors That Influence Willingness to Forgive .................. 66
  Forgiveness Interventions .................................. 67
Conclusion ................................................. 68
References .................................................. 69
## 5 The Bullet and Its Meaning: Forgiveness, Nonforgiveness, and Their Confrontation
