<b>1 Introduction of National Intellectual Capital</b> .....	1
Introduction.....	1
Development of National Intellectual Capital .....	2
Five Types of Component Capital.....	3
Expected Contributions.....	5
Chapter Organization of This Book.....	6
<b>2 Background of National Intellectual Capital</b> .....	7
Motivation for Writing This Book.....	7
Current National Intellectual Capital Measurement Models .....	8
Measurements Proposed by Regional or World Development Organizations .....	9
National Intellectual Capital Models Proposed by Individual Researchers .....	11
Obstacles to the Measurement of National Intellectual Capital.....	12
Summary .....	16
<b>3 Methods and National Intellectual Capital Ranking of 40 Countries</b> .....	17
Proposed National Intellectual Capital Measurement Model .....	17
Indicator Selection and Validation.....	18
Validation of NICI40 Measurement Model .....	21
Methods.....	21
National Intellectual Capital Indices for 40 Countries .....	22
Appendix 1.....	27
Appendix 2.....	30
<b>4 National Intellectual Capital of Five Nordic Countries (Denmark, Finland, Iceland, Norway, Sweden)</b> .....	33
Introduction.....	33
National Intellectual Capital of Each Individual Country .....	34
Comparison of Capital Components of the Five Nordic Countries.....	40

Three-Period Progression of National Intellectual Capital Development.....	44
General Descriptive Information on the Five Nordic Countries .....	47
Summary .....	60
<b>5 National Intellectual Capital of Four Larger Western European Countries (France, Germany, Ireland, UK).....</b>	<b>63</b>
Introduction.....	63
National Intellectual Capital of Each Individual Country .....	64
Comparison of Capital Components of the Four Larger European Countries.....	68
Three-Period Progression of National Intellectual Capital Development.....	72
General Descriptive Information on the Four Larger European Countries.....	75
Summary .....	84
<b>6 National Intellectual Capital of Four Smaller Western European Countries (Austria, Belgium, Netherlands, Switzerland).....</b>	<b>87</b>
Introduction.....	87
National Intellectual Capital of Each Individual Country .....	88
Comparison of Capital Components of the Four Smaller European Countries.....	93
Three-Period Progression of National Intellectual Capital Development .....	96
General Descriptive Information on the Four Smaller European Countries.....	99
Summary .....	108
<b>7 National Intellectual Capital of Four Southern European Countries (Greece, Italy, Portugal, Spain).....</b>	<b>111</b>
Introduction.....	111
National Intellectual Capital of Each Individual Country .....	112
Comparison of Capital Components of the Four Southern European Countries.....	117
Three-Period Progression of National Intellectual Capital Development .....	120
General Descriptive Information on the Four Southern European Countries.....	123
Summary .....	134

<b>8</b>	<b>National Intellectual Capital of Four East Central European Countries and South Africa (Czech Republic, Hungary, Poland, South Africa, Turkey)</b> .....	137
	Introduction .....	137
	National Intellectual Capital of Each Individual Country .....	138
	Comparison of Capital Components of the Four East Central European Countries and South Africa .....	143
	Three-Period Progression of National Intellectual Capital Development .....	147
	General Descriptive Information on the Four East Central European Countries and South Africa .....	150
	Summary .....	161
<b>9</b>	<b>National Intellectual Capital of Two North American Countries (Canada, USA)</b> .....	163
	Introduction .....	163
	National Intellectual Capital of the Two Countries .....	165
	Comparison of Capital Components of the Two North American Countries .....	167
	Three-Period Progression of National Intellectual Capital Development .....	170
	General Descriptive Information on the Two North American Countries .....	172
	Summary .....	172
<b>10</b>	<b>National Intellectual Capital of Four Latin American Countries (Argentina, Brazil, Chile, Mexico)</b> .....	181
	Introduction .....	181
	National Intellectual Capital of Each Individual Country .....	182
	Comparison of Capital Components of the Four Latin American Countries .....	186
	Three-Period Progression of National Intellectual Capital Development .....	189
	General Descriptive Information on the Four Latin American Countries .....	190
	Summary .....	193
<b>11</b>	<b>National Intellectual Capital of Australia and New Zealand</b> .....	205
	Introduction .....	205
	National Intellectual Capital of Australia and New Zealand .....	207
	Comparison of Capital Components of Australia and New Zealand .....	209
	Three-Period Progression of National Intellectual Capital Development .....	212
	General Descriptive Information on Australia and New Zealand .....	214
	Summary .....	218

<b>12 National Intellectual Capital of Three East Asian Countries (Japan, South Korea, Taiwan)</b> .....	221
Introduction.....	221
National Intellectual Capital of Each Individual Country .....	222
Comparison of Capital Components of the Three East Asian Countries.....	226
Three-Period Progression of National Intellectual Capital Development .....	229
General Descriptive Information on the Three East Asian Countries.....	231
Summary .....	238
<b>13 National Intellectual Capital of Four Southeast Asian Countries (Malaysia, Philippines, Singapore, Thailand)</b> .....	241
Introduction.....	241
National Intellectual Capital of Each Individual Country .....	242
Comparison of Capital Components of the Four Southeast Asian Countries.....	246
Three-Period Progression of National Intellectual Capital Development.....	250
General Descriptive Information on the Four Southeast Asian Countries.....	253
Summary .....	253
<b>14 National Intellectual Capital of the Four BRIC Countries (Brazil, Russia, India, China)</b> .....	263
Introduction.....	263
National Intellectual Capital of Each Individual Country .....	264
Comparison of Capital Components of the Four BRIC Countries .....	268
Three-Period Progression of National Intellectual Capital Development .....	272
General Descriptive Information on the Four BRIC Countries .....	275
Summary .....	285
<b>15 National Intellectual Capital Development: Trajectory from a Poor to a Fast Growth Country</b> .....	287
Introduction.....	287
National Intellectual Capital of the Five Poorest Countries .....	288
National Intellectual Capital of the Five Fastest Growth Countries .....	292
Comparison of the Poorest and Fastest Growth Countries .....	295
Trajectory from a Poor to a Fast Growth Country .....	298
Summary .....	303

<b>16 Dynamic Systems in National Intellectual Capital .....</b>	<b>305</b>
Ranking Changes of the Five Component Capitals .....	305
GDP Growth Comparison .....	313
Intangible Asset Indicators of Various World Organizations.....	315
Paths for Planned National Intellectual Capital Growth .....	315
Summary .....	333
Appendices.....	334
Appendix 1.....	335
Appendix 2.....	337
Appendix 3.....	339
Appendix 4.....	341
Appendix 5.....	343
Appendix 6.....	345
<b>17 Policy Implications and Future Perspectives.....</b>	<b>347</b>
Introduction.....	347
Internal and External National Intellectual Capital Issues.....	348
Policy Implications .....	351
GDP Implications.....	351
National Context Implications .....	352
Currency Effect Implications .....	353
Effectiveness Implications .....	353
IC Formula I: Turning Liability into Potential and into Value.....	354
On-Going National Intellectual Capital Development.....	354
Promote National Intellectual Capital Creation Routes.....	354
Encourage Three Types of National Intellectual Capital Growth Patterns.....	355
Create Intellectual Capital Accelerator.....	359
Establish an Intellectual Capital Incubator .....	361
Suggestions for BRIC Countries.....	361
Limitations and Future Perspectives .....	367
Conclusion .....	367
<b>After Note: Looking from Outside .....</b>	<b>371</b>
<b>References.....</b>	<b>373</b>
<b>Glossary .....</b>	<b>385</b>
<b>Author Index.....</b>	<b>389</b>
<b>Subject Index.....</b>	<b>391</b>
