# Contents

## Part I Preoperative Considerations

1. **General Principles and Practices of Perioperative Medicine**  
   C. Ronald MacKenzie  
   3

2. **The Prevalence of Disabling Musculoskeletal Conditions and the Demand for Orthopedic Surgery in the Twenty-First Century**  
   Anas Saleh and Charles N. Cornell  
   13

3. **The Connective Diseases: The Rheumatologist’s Perspective**  
   Susan S. Kim, C. Ronald MacKenzie, and Stephen Paget  
   25

4. **The Pathophysiologic Events of Total Joint Replacement Surgery**  
   Stavros G. Memtsoudis  
   41

## Part II Anesthesiologic Management

5. **Anesthesia in the Orthopedic Patient**  
   Shawna Dorman and Richard L. Kahn  
   53

6. **Pediatric Anesthesia for Orthopedic Surgery**  
   Kathryn R. DelPizzo, Naomi Dong, and Carrie R. Guheen  
   63

7. **Anesthetic Techniques and Their Clinical Application for Specific Orthopedic Procedures**  
   Ottokar Stundner and Cephas P. Swamidoss  
   79

8. **The Role of the Post-anesthesia Care Unit in the Perioperative Care of the Orthopedic Patient**  
   Michael K. Urban  
   91

9. **Postoperative Pain Management in the Orthopedic Setting**  
   Cassie Kuo and Spencer S. Liu  
   101

## Part III Medical Management in Specific Clinical Settings

10. **Perioperative Care of the Orthopedic Patient with Connective Tissue Disease**  
    Susan M. Goodman  
    113

11. **Perioperative Care of the Orthopedic Patient with Cardiac Disease**  
    Lawrence F. Levin  
    125

12. **Perioperative Care of the Orthopedic Patient with Chronic Pulmonary Disease**  
    Kethy M. Jules-Elysee  
    139

13. **Perioperative Care of the Orthopedic Patient with Renal Disease**  
    James M. Chevalier  
    151
## Contents

### Part IV Specific Perioperative Problems in Orthopedic Surgery

14  Perioperative Care of the Orthopedic Patient with Diabetes Mellitus . . . . . 167  
C. Ronald MacKenzie and Naina Sinha Gregory

15  Perioperative Care of the Orthopedic Patient with Gastrointestinal and  
Liver Issues ................................................................. 177  
Melissa H. Rosen and Charles Maltz

16  Perioperative Care of the Orthopedic Patient with Neurological Disease . . 185  
Dale J. Lange, Alexander Shtilbans, Brion Reichler, and Dora Leung

17  Perioperative Care of the Patient with Psychiatric Disease ..................... 197  
John W. Barnhill

### Part V Role of Allied Services

18  Perioperative Care of the Elderly Orthopedic Patient ......................... 209  
C. Ronald MacKenzie and Charles N. Cornell

19  Venous Thromboembolism and Orthopedic Surgery ............................ 221  
Anne R. Bass

20  Coagulation Disorders and Orthopedic Surgery ................................ 231  
C. Ronald MacKenzie

21  Perioperative Nutrition in the Orthopedic Surgical Patient ................... 239  
Christie L. Custodio-Lumsden and Sotiria Everett

22  Infection and Perioperative Orthopedic Care ..................................... 259  
Andy O. Miller and Barry D. Brause

23  Risk and Benefits of Bilateral Total Knee Replacement Surgery ............ 267  
Ettore Vulcano, Alejandro González Della Valle, and Stavros G. Memtsoudis

24  Compartment Syndrome and Orthopedic Surgery: Diagnosis  
and Management ................................................................ 281  
Matthew R. Garner, Samuel A. Taylor, Milton T.M. Little, and John P. Lyden

25  Bone Health and Orthopedic Surgery ............................................... 289  
Linda A. Russell

26  Perioperative Care of the Complex Spine and Scoliosis Surgery Patient . . 297  
Darren R. Lebl and Michael K. Urban

27  Management of Blood Products in Orthopedic Surgery ....................... 311  
Jad Bou Monsef, Michelle Perna, and Friedrich Boettner

### Part VI Role of Allied Services

28  Professional Nursing Practice in the Orthopedic Care Setting ........... 333  
Stephanie Goldberg and Patricia Quinlan

29  The Approach to Physical Therapy Following Orthopedic Reconstructive  
Surgery ......................................................................... 339  
Janet B. Cahill and Jeme Cioppa Mosca

30  Quality Improvement in the Perioperative Orthopedic Setting ............. 347  
Michelle Horváth and Steven K. Magid

31  Introduction of Clinical Pathways in Orthopedic Surgical Care:  
The Experience of the Hospital for Special Surgery .......................... 365  
Shivi Duggal, Susan Flics, and Charles N. Cornell

32  Ethical Considerations in Perioperative Orthopedic Medicine ............ 373  
M. Michael Khair, Douglas S.T. Green, and C. Ronald MacKenzie
## Appendix: Case Studies

**Appendix A: Case Study for Chapter 4 on the Pathophysiologic Events of Total Joint Replacement Surgery**

Stavros G. Memtsoudis

381

**Appendix B: Case Study for Chapter 5 on Anesthesiology in the Orthopedic Patient**

Shawna Dorman and Richard L. Kahn

383

**Appendix C: Case Study for Chapter 6 on Pediatric Anesthesia for Orthopedic Surgery**

Kathryn R. DelPizzo, Naomi Dong, and Carrie R. Guheen

385

**Appendix D: Case Study for Chapter 7 on Anesthetic Techniques and Their Clinical Application for Specific Orthopedic Procedures**

Cephas P. Swamidoss and Ottokar Stundner

387

**Appendix E: Case Study for Chapter 8 on the Role of the Post-anesthesia Care Unit in the Perioperative Care of the Orthopedic Patient**

Michael K. Urban

389

**Appendix F: Case Study for Chapter 9 on Postoperative Pain Management in the Orthopedic Setting**

Cassie Kuo and Spencer S. Liu

391

**Appendix G: Case Study for Chapter 10 on Perioperative Care of the Orthopedic Patient with Connective Tissue Disease**

Susan M. Goodman and Stephen Paget

393

**Appendix H: Case Study for Chapter 11 on Perioperative Care of the Orthopedic Patient with Cardiac Disease**

Lawrence F. Levin

395

**Appendix I: Case Studies for Chapter 13 on Perioperative Care of the Orthopedic Patient with Renal Disease**

James M. Chevalier

397

**Appendix J: Case Studies for Chapter 15 on Perioperative Care of the Orthopedic Patient with Gastrointestinal and Liver Issues**

Melissa H. Rosen and Charles Maltz

399

**Appendix K: Case Studies for Chapter 17 on Perioperative Care of the Orthopedic Patient with Psychiatric Disease**

John W. Barnhill

401

**Appendix L: Case Study for Chapter 22 on Infection and Perioperative Orthopedic Care**

Andy O. Miller and Barry D. Brause

403

**Appendix M: Case Study for Chapter 23 on Risk and Benefits of Bilateral Total Knee Replacement Surgery**

Ettore Vulcano, Alejandro González Della Valle, and Stavros G. Memtsoudis

405

**Appendix N: Case Studies for Chapter 24 on Compartment Syndrome and Orthopedic Surgery: Diagnosis and Management**

Matthew R. Garner, Samuel A. Taylor, Milton T.M. Little, and John P. Lyden

407
Appendix O: Case Studies for Chapter 25 on Bone Health and Orthopedic Surgery ........................................................ 409
Linda A. Russell

Appendix P: Case Study for Chapter 27 on Management of Blood Products in Orthopedic Surgery .................................................. 411
Jad Bou Monsef, Michelle Perna, and Friedrich Boettner

Index ........................................................................................................... 413
Perioperative Care of the Orthopedic Patient
