Contents

Part I  Models and Analytic Methods

1  Community-Based Operations Research: Introduction, Theory, and Applications ................................................ 3
   Michael P. Johnson

2  “Community-Based Operations Research” ........................... 37
   Michael P. Johnson and Karen Smilowitz

3  Operations Management in Community-Based Nonprofit Organizations ......................................................... 67
   Natalie A. Privett

4  Modeling Equity for Allocating Public Resources ....................... 97
   Philip D. Leclerc, Laura A. McLay, and Maria E. Mayorga

Part II  Facility Location and Spatial Analysis

5  Spatial Optimization and Geographic Uncertainty:
   Implications for Sex Offender Management Strategies ............. 121
   Alan T. Murray and Tony H. Grubesic

6  Locating Neighborhood Parks with a Lexicographic
   Multiobjective Optimization Method ................................. 143
   Jorge A. Sefair, Adriana Molano, Andrés L. Medaglia, and
   Olga L. Sarmiento

7  Using GIS-Based Models to Protect Children
   from Lead Exposure ......................................................... 173
   Douglas Hastings and Marie Lynn Miranda
Part III  Minorities and Disadvantaged Groups

8  A Model for Hair Care Flow in Salons in the Black Community ................................................ 191
    Farmar L. Lee Stenson

9  Street Gangs: A Modeling Approach to Evaluating “At-Risk” Youth and Communities .......................... 213
    B. Jacob Loeffelholz, Richard F. Deckro, and Shane A. Knighton

10 Fair Fare Policies: Pricing Policies that Benefit Transit-Dependent Riders ........................................... 251
    Kendra C. Taylor and Erick C. Jones

Part IV  Service Delivery

11 Decision Making for Emergency Medical Services ...................... 275
    Hari K. Rajagopalan, Cem Saydam, Hubert Setzler, and Elisabeth Sharer

12 Capacity Planning for Publicly Funded Community Based Long-Term Care Services ............................ 297
    Feng Lin, Nan Kong, and Mark Lawley

13 A DEA Application Measuring Educational Costs and Efficiency of Illinois Elementary Schools .................. 317
    Jaye Samantha Flavin, Ryan Murphy, and John Ruggiero

Index ........................................................................................................................................... 333
Community-Based Operations Research
Decision Modeling for Local Impact and Diverse Populations
Johnson, M. (Ed.)
2012, XXIV, 340 p., Hardcover
