Part I Neurogenic-Arterial Thoracic Outlet Syndrome

1 Symptoms of Neurogenic-Arterial Thoracic Outlet Syndrome	3
References.....	7
2 The Diagnostic Tests	9
Duplex Ultrasound.....	9
Abduction Maneuvers.....	9
EMG.....	10
Other Tests	10
References.....	11
3 Physiotherapy	13
Treatment and Results.....	13
Exercises	13
Reference	14
4 Surgical Treatment	15
Historical Aspects	15
References.....	17
5 Supraclavicular Approach	19
Reference	20
6 Transpleural Infraclavicular Approach	21
References.....	22
7 The Paraclavicular Approach to Address Arterial Complications	23

8 The Transaxillary Alone Approach for Removal of the First Rib 25
 Complications Doing the Transaxillary Approach..... 27
 References..... 29

9 The Posterior Approach 31
 References..... 32

10 The New Dual Approach 33
 Operative Technique Details..... 34
 References..... 40

11 Reoperations for Recurrence of Neurogenic Symptoms..... 41
 References..... 42

Part II Venous Thoracic Outlet Syndrome (Paget-Schroetter)

12 Symptoms and Physical Findings 45
 References..... 46

13 Etiology 47
 Reference 49

14 Venous Obstructions Due to Implanted Devices 51
 References..... 51

15 Diagnosis 53
 A. Duplex Ultrasound 53
 B. Venography..... 53
 C. Interventional Radiologic Techniques..... 54
 References..... 57

16 The New Treatment Approach to Subclavian Vein Thrombosis..... 59

17 Timing for Intervention and Standard of Care..... 61
 References..... 62

18 Thrombolytic Therapy..... 65
 References..... 67

19 Surgical Intervention 69
 The New Subclavicular Approach Operation 69
 References..... 79

20 The Transsternal Extension 81
References 89

21 The Paraclavicular Approach 91
References 92

22 The Transaxillary Approach 93
References 95

**23 Reoperations After Failed Transaxillary First Rib
Resection for Subclavian Vein Thrombosis** 97
References 101

24 Vein Replacement 103
References 106

**25 Postoperative Care: Anticoagulants, Pain Control,
and Nursing Care** 107
Anticoagulants 107
Pain Control 108
Other 108
References 109

Part III The Cervical Rib

26 The Cervical Rib 113
References 116

27 Fusion of Ribs 117
