# Contents

1 **RLS/WED: Criteria, Differential Diagnosis and Prevalence of Occurrence** .............................. 1  
   Luigi Ferini-Strambi

**Part I Long Term Health Consequences of Restless Legs Syndrome/Willis-Ekbom Disease**

2 **Mental Health Disorders Associated with RLS** ................................. 21  
   Mark A. Oldham and Hochang B. Lee

3 **Sleep Impact: Insomnia, Hypersomnia, Sleep Attacks, and Circadian Disorders** ............................. 45  
   Maria Turchese Caletti and Federica Provini

4 **Cognitive Functioning** ................................. 59  
   Stephany Fulda

5 **Health-Related Quality of Life and Depression Symptom Measures for the Assessment of Treatment in Restless Legs Syndrome/Willis–Ekbom Disease** ............................ 73  
   Jan Wesström

6 **Epidemiologic Evidence in Cardiovascular Disease** ............................. 79  
   Xiang Gao and Brian Koo

7 **Heart Rate and Blood Pressure Changes Associated with Periodic Limb Movements** ............................. 93  
   Raffaele Ferri and Fouzia Siddiqui

8 **Willis–Ekbom Disease, Periodic Limb Movements of Sleep, and Cardiovascular Disease: Putative Mechanisms and Implications for Long-Term Treatment** ............................. 101  
   Lynn Marie Trotti

9 **Peripheral Muscle Changes** ............................. 119  
   B. Wählin-Larsson and J. Ulfberg
10 Outcome and Mortality in Renal Failure Related RLS .......... 127
S. Lorenzut, S. de Biase and G.L. Gigli

Part II Long Term Management of Restless Legs
Syndrome/Willis-Ekbom Disease

11 Long-Term Efficacy of Pharmacological Treatment ............. 141
Pietro-Luca Ratti

12 Augmentation: Criteria, Prevalence, and Differential Diagnosis ... 155
Diego García-Borreguero, Mauro Manconi and Luigi Ferini-Strambi

13 Treatment Options When Short-Acting Dopamine Agonists Fail or Cause Augmentation: Switching or Adding Medications ...... 169
Mark Buchfuhrer

14 Management of Augmentation ...................................... 189
Diego García-Borreguero

15 Managing Concurrent Medications ................................. 193
Denise Sharon

16 Impulsive Behaviors: Definition, Prevalence, Neurobiology, and Management .............................................. 215
Gary P.H. Ho, Charlene E. Gamaldo, Seema Gulyani and Rachel E. Salas

17 Impulse Control Behavior in Movement Disorders:
Focus on Restless Leg Syndrome ................................... 229
Salvatore Galati

18 Management of RLS During Pregnancy ......................... 245
Mauro Manconi

19 Management of RLS in Children (Unique Features) ............ 261
Oliviero Bruni and Marco Angriman

Index ........................................................................... 279
Restless Legs Syndrome/Willis Ekbom Disease
Long-Term Consequences and Management
Manconi, M.; Garcia-Borreguero, D. (Eds.)
2017, XIV, 287 p. 16 illus., 10 illus. in color., Hardcover
