Contents

Part I  Administrative and Regulatory Issues

1 Society of Chest Pain Centers’ Heart Failure Accreditation .......... 3
   Kay Styer Holmes and Arlene Mavko

2 The Economics and Reimbursement of Congestive Heart Failure ......................................................... 9
   Sandra Sieck

3 Regulatory Requirements in Acute Heart Failure ......................... 33
   Nancy M. Albert

4 Quality and Operational Metrics in Heart Failure .......................... 45
   Phillip D. Levy and Matthew A. Wheatley

5 Interaction of Performance Measurements, Staffing, and Facility Requirements for the Heart Failure Observation Unit .......... 59
   Valorie Sweigart and Karen Krechmery

Part II  Pathophysiology and Demographics

6 Heart Failure: Epidemiology and Demographics ........................ 67
   Karina M. Soto-Ruiz

7 Pathophysiology of Acute Decompensated Heart Failure ............... 77
   Ezra A. Amsterdam, Kathleen L. Tong, and Richard Summers

Part III  Emergency Medical Services and Emergency Department Assessment and Treatment

8 The Out-of-Hospital Management of Acute Heart Failure .......... 87
   Marvin A. Wayne, Vincent N. Mosesso Jr., and A. Keith Wesley
9 Dyspnea Assessment and Airway Management in Acute Heart Failure Syndromes Patients ........................................................ 105
   Masood Zaman and Peter S. Pang
10 Volume Assessment in the Emergency Department .................... 113
   Anna Marie Chang and Judd E. Hollander
11 Diagnostic and Prognostic Biomarkers in Emergency Department Heart Failure ................................................................. 125
   Yang Xue, Arrash Fard, Navaid Iqbal, and Alan Maisel
12 Emergency Department Therapy of Acute Heart Failure .............. 141
   Phillip D. Levy

Part IV Observation Unit Entry Treatment and Disposition
13 Observation Unit Admission Inclusion and Exclusion Criteria ........ 165
   Gregory J. Fermann and Sean P. Collins
14 Acute Heart Failure in Observation Unit Treatment Protocols......... 173
   J. Douglas Kirk and Michael Clarke
15 Education Elements in the Observation Unit for Heart Failure Patients ....................................................................................... 187
   Robin J. Trupp
16 Emergency Department and Observation Unit Discharge Criteria ......................................................................................... 199
   Rachel Rockford and Deborah B. Diercks
17 Effective Discharge Planning .......................................................... 207
   Ginger Conway
18 Outpatient Medication Titration in Acute Heart Failure .............. 217
   Khadijah Breathett and L. Kristin Newby

Part V Complications and Future Research
19 Drugs to Avoid in Acute Heart Failure: Contraindicated Medications and Interactions ......................................................... 231
   James McCord
20 Implications of Atrial Fibrillation in Heart Failure Management ......................................................................................... 237
   Chad E. Darling and Richard V. Aghababian
21 Implantable Cardiac Devices .......................................................... 253
   Brian Hiestand and William Abraham
