1 Interdisciplinary Teams in Special Education Schools: Their Language and Discourse ........................................ 1
  1.1 Part A: Rationale, Importance, and Definition of Interdisciplinary Teamwork in Special Education Schools ...... 1
    1.1.1 The Rationale .................................................. 1
    1.1.2 The Definition ................................................ 4
  1.2 Part B: Important Aspects of the Language and Discourse of an Interdisciplinary Team in a Special Education School ..... 4
  References ........................................................................... 6

2 Methodology ........................................................................ 7
  2.1 Part A: The Methodological Basis of the Method Chosen .... 8
    2.1.1 The Data Collection Tools ...................................... 8
    2.1.2 The Research Process .......................................... 12
    2.1.3 The Data Collection Process ................................. 13
    2.1.4 The Rationale .................................................... 14
    2.1.5 Ethical Considerations ......................................... 17
    2.1.6 Limitations of the Research ................................. 19
    2.1.7 Critical Discussion of the Research Method .............. 19
  2.2 Part B: The Method Employed in the Analysis of the Language and Discourse of the Interdisciplinary Team .......... 23
    2.2.1 Description of the Research Setting ....................... 23
    2.2.2 Models for Data Analysis .................................... 26
    2.2.3 Presentation of Models ....................................... 28
    2.2.4 Rationale for the Choice of Minuchin’s Approach (Minuchin 1982) .................................................. 33
  References ........................................................................... 35
## Key Words Related to the Team’s Work with the Students

### 3.1 Part A: First-Order Knowledge—Key Word Categories (Organized by Profession)

- 3.1.1 Class of Key Words Originating with the Therapists
- 3.1.2 Class of Key Words Originating with the Teachers
- 3.1.3 Class of Key Words Originating with the Doctors

### 3.2 Part B: Second-Order Knowledge—The Concepts

- 3.2.1 A Progression of Discontent
- 3.2.2 Transferability

## What Key Words Do the Team Members Use When Relating to Their Work as an Interdisciplinary Team?

### 4.1 Part A: First-Order Knowledge—Key Word Classes

- 4.1.1 Class of Key Words Adopted from a Different Sphere of Discourse
- 4.1.2 Class of Key Words that Reflect the Difficulties Encountered by the Interdisciplinary Team
- 4.1.3 Class of Key Words Presenting Possible Solutions to Work-Related Problems of in the Interdisciplinary Team
- 4.1.4 Metaphors Taken from Nature

### 4.2 Part B: Second-Order Knowledge—The Key Concepts

- 4.2.1 A Progression of Discontent
- 4.2.2 Transferability

## Discourse Events in the Interdisciplinary Team

### 5.1 Analysis of Context in IEP Meetings

- 5.1.1 Categories of Information and Information-Sharing Discourse

### 5.2 Analysis of the Information-Sharing Discourse

- 5.2.1 Information-Sharing Discourse A
- 5.2.2 Information-Sharing Discourse B
- 5.2.3 Information-Sharing Discourse C
- 5.2.4 Combined Sharing Discourse: A and C

### 5.3 Part B: Patterns of Discourse in the Interdisciplinary Team and What They Reveal About Its Culture

- 5.3.1 Model of Discourse Categories of Knowledge

6 Discourse Events in the Administrative Team .............................. 103
  6.1 Part A: First-Order Knowledge—Analysis of Discourse Events . . . 105
    6.1.1 Discourse Event A: Self-defense When in Danger
            of Being Injured by a Pupil .............................. 106
    6.1.2 Discourse Event B: The Assistant Teacher’s Late Arrival
            to a Therapy Session with a Pupil .......................... 111
    6.1.3 Discourse Event C: Preparation of an “Identity Card”
            for the School. Bringing in an External Advisor .............. 112
    6.1.4 Discourse Event D: Preparation of a School Identity
            Card: First Meeting ....................................... 114
    6.1.5 Discourse Event E: Preparation of a School Identity
            Card: Second Meeting ...................................... 115
    6.1.6 Discourse Event F: Arrival of a New Pupil to the School ... 117
    6.1.7 Discourse Event G: Administrative Team Complains
            of Overload and Asks the Principal to Lighten the Load ...... 119
  6.2 Part B: Second-Order Knowledge—Discourse Events in the
            Administrative Team and What They Reveal About the Culture
            of an Interdisciplinary Team ................................ 123
References ................................................................. 127

7 Conclusion: Practical Model for Interdisciplinary Team ............... 129
  7.1 Summary of Findings by Chapter ...................................... 129
  7.2 Third-Order Knowledge ................................................ 130
    7.2.1 The Subject Around Which the Collaboration
            Was Formed .................................................. 132
    7.2.2 Categories of Information .................................... 133
    7.2.3 Information Targeting and the Nature of the Collaboration .. 133
    7.2.4 Type of Discourse .......................................... 134
    7.2.5 Collaborative Operation ..................................... 135

Glossary ................................................................. 139
