Virginie de Barnier, École Supérieure des Hautes Études Commerciales de Nord (Groupe EDHEC)

## Customer Delivery Systems: From Mom and Pop to the WWW

*A Comparative Analysis of Wholesaler-Retailer Relations Within Vertical Marketing Systems: A Political Economy Approach* ..................................................................................................................... 32  
Gilles Corriiveau, École des Hautes Études Commerciales (HEC)  
Robert D. Tamilia, University of Québec at Montréal  
Danielle Morin, Concordia University

*Time-Dependence and Relationship-Dependence Between Firms in Marketing Channels* ................................................. 33  
Goran Svensson, Göteborg University
Why Do Consumers Continue to Shop on the Internet? .............................................................. 40
Kathleen VanScoyoc, Old Dominion University
Earl D. Honeycutt, Jr., Old Dominion University
Kiran Kirande, Old Dominion University
Joan Mann, Old Dominion University

A Conceptual Model to Measure Service Quality of Online Companies: E-Qual ............................. 46
Shohreh A. Kaynama, Towson University

Managing Marketing Relationships Within and Across Firms

Sales Force Motivation and Outcome or Behavior Based Controls ............................................ 52
Rene Y. Darmon, ESSEC

Tangible and Intangible Dimensions of Supplier Performance and Business Marketing Relationships: A Case Study in the Motor Vehicles Industry ......................................................... 53
Morry Ghingold, Bloomsburg University

Relationship Marketing – Who Benefits: An Exploratory Study of Buyer-Seller Dyads .................. 54
David Webb, University of Western Australia
Jill Sweeney, University of Western Australia

Operationalizing Internal Marketing: Assessing the Traditional Marketing Mix and Relationship Marketing Approaches .......................................................... 61
Donald Roy, University of North Carolina at Pembroke
Rachel K. Smith, University of Memphis
Kenneth E. Clow, University of North Carolina at Pembroke

Globalization: A Marketing Management Perspective

The Semantic Structure of Time Oriented Retail Service Guarantees: The Moderating Role of Cultural Norms on Perceived Performance Risk ........................................... 66
Robert D. Straughan, Baylor University
Nancy D. Albers Miller, University of North Texas

Contrasting Country and Product Images of Japanese and Canadian Consumers and the Effect of Ethnocentrism” .......................................................... 67
Emmanuel Chéron, University of Québec
Hideo Hayashi, Kansai University
Tetsuo Sugimoto, Sophia University

The Effect of Cultural Differences on the Development of Trust and Commitment in International Marketing Relationships: Some Propositions ..................................... 73
Constanza Bianchi, Queen’s University
Peggy Cunningham, Queen’s University
Shirley Taylor, Queen’s University

The Active Service Consumer

Managing Information in Servicescapes to Affect Consumers’ Emotions and Purchase Behavior .......... 80
Myra Mabel Perez-Rivera, University of Puerto Rico

The Roles of Communication and Participative Decision-Making in Patient Compliance ................ 86
Angela Hausman, Marshall University
Relationship Marketing: Loyalty in the Face of Product Failure and Blame ............................................. 87
Randi Priluck, Seton Hall University

Factors Influencing Consumer Credit Usage ................................................................. 88
Elizabeth Alexander, Marshall University
Angela Hausman, Marshall University

Service on the Edge

The Virtual Service Encounter: Opportunities for Research ............................................. 89
Maria Dolores Alvarez, Bogazici University

Astrology: Its Influence on Consumers’ Buying Patterns and Consumers’ Evaluations of Products and Services .............................................................. 94
Hyokjin Kwak, University of Georgia
Anupan Jaju, University of Georgia
George M. Zinkhan, University of Georgia

An Examination of Export Success Determinants Between Manufacturing and Service Firms Using Artificial Neural Networks .............................................. 99
David J. Smith, Henry Cogswell College
El-Hadi M. Aggoune, Henry Cogswell College

The Outcome of Value Creation: Satisfaction & Patronage

A Means-End Approach to Investigating the Influence of Perceived Value on Consumers’ Purchase Intentions ................................................................. 109
David C. Bojanic, University of Massachusetts
Rajiv Kashyap, University of Massachusetts

The Role of Customer Value in Arriving at an Assessment of Satisfaction .............................................. 110
Frank Huber, University of Mainz
Andreas Herrmann, University of Mainz

Empowering the American Consumer: Generating Economic Quality of Life .............................................. 116
A. Coskun Sanli, University of North Florida

Satisfaction, Patronage, and Profitability: Is There a Retailing Relationship?

Examining the Relationship between Consumer Patronage and Selected Relationship Retailing Strategies ................................................................. 120
Gul T. Butany, Bentley College
John Stockmeyer, Bentley College

Competition, Satisfaction and Loyalty as Determinants of the Profitability in the Car Retailing Industry – Results of an Empirical Study .............................................. 126
Frank Huber, University of Mainz
Andreas Herrmann, University of Mainz
Wayne Hoyer, University of Texas, Austin

Satisfaction as a Mediator in the Link between Service Quality and Service Loyalty .............................................. 132
Albert Caruana, University of Malta
Leyland F. Pitt, Curtin University of Technology
B. Ramaseshan, Curtin University of Technology
Adding Value to Marketing Through Integration

A Pedagogical Perspective for Creating Value Via a Better Understanding of Behavioral Demand .......... 133
William B. Dodds, Fort Lewis College
Kenneth A. Hunt, Fort Lewis College

Learning to Earning: Employer Desired Skills, A Call For Action .......................................................... 134
Mark R. Young, Winona State University

eEducation: Adding Value by Integrating the Curriculum ................................................................ 139
Kathleen S. Micken, Roger Williams University
Alan C. Cutting, Roger Williams University

The Use of Decision Support Systems in the Classroom: Marketing Access
Planning System (MAPS) in Teaching International Marketing .......................................................... 145
Attila Yaprak, Wayne State University
Irene Mokra, Wayne State University
Hugh Cannon, Wayne State University
Mike Mitri, Eastern Michigan University

Vulnerable and At-Risk Consumers

The At-Risk On-Line Gambler: A Global Issue With Local Implications ............................................. 151
Kenneth V. Henderson, Morehead State University
Barbara Lyons, Griffith University

Analysis of Macro-Environments Affecting Youth At Risk ................................................................. 158
Nell Arnold, Queensland University of Technology

Consumer Protection Issues and Non-Government Organizations in a Developing Market .................. 171
Audhesh Paswan, University of North Texas
Jhinuk Chowdhury, University of North Texas

Teaching Philosophies of Outstanding Teachers

Involve me and I will Understand ........................................................................................................... 177
Thomas E. Muller, Griffith University, Gold Coast Campus

Using Technology to Implement the “Seven Principles for Good Practice” in Marketing Education ........ 179
David J. Urban, Virginia Commonwealth University

My Perspective on Effective Teaching ..................................................................................................... 181
Seungoog Weun, University of North Carolina at Wilmington

Integration: Where Does Marketing Fit?

Portals and Supply Chains – An Exploratory Essay .............................................................................. 182
Adrejin Horn, University of Cape Town
Deon Nel, University of Cape Town
Mike Page, University of Cape Town

The Role of Information in Global Marketing

Antecedents of Information Acquisition Among Exporting Firms: The Role of Ability and Motivation to Search ...................................................................................................................... 183
Poh-Lin Yeoh, Bentley College
Network Externalities, Path Dependence or Quality: What Drives the Success of High-Tech Products? .......................................................... 184
Eden Yin, Doctoral Candidate in Marketing, University of Southern California
Gerald Tellis, University of Southern California

The Impact of Brand, Attribute Strength and County-of-Origin on Product Evaluations: A Web Survey .......................................................... 186
Paul Chao, University of Northern Iowa
Myung Soo Jo, McGill University

Buyer Characteristics

A Books Reading Pattern Based on Economic and Psycho-Sociological Factors .......................................................... 192
Michelle Bergadaa, HEC, Université de Genève
Corinne Faure

Why They Won’t Buy Online: Part Two of an Exploratory Study of Consumer Attitudes Toward Online Buying .................................................. 197
Robin Chase, Rensselaer Polytechnic University at Hartford
Martha Fransson, Rensselaer Polytechnic University at Hartford
Edward Amheiter, Rensselaer Polytechnic University at Hartford

Polychronic and Monochronic Television Viewers and Users: Identification and Behavior .......................................................... 204
Jay D. Lindquist, Western Michigan University
Carol Kaufman-Scarborough, Rutgers University

Impact of Household Characteristics on Insurance Portfolios .......................................................... 209
Joyce Shotick, Bradley University
Vince Showers, Bradley University
James Lumpkin, Bradley University

Marketing Alliances between Businesses and Nonprofits

Breakdowns in Ad Agency and Charity Client Relationships: An Agency Perspective .......................................................... 214
Roger Bennett, London Guildhall University
Rita Kottasz, London Guildhall University
