Angela Hausman, University of South Florida

**Offensive vs. Defensive Opportunism in Marketing Channel Relationships: An Essay on Their Ethics** ................................................................. 29  
Tao Gao, The College of William and Mary

## Theoretical and Methodological Issues in Services Marketing

**Order Bias in the Application of the SERVQUAL Instrument** ................................................................. 36  
Carol W. DeMoranville, Northern Illinois University  
Carol C. Bienstock, Valdosta State University

**Theory Development in Services Marketing: Transcending Service Specificity** ................................................................. 42  
Anne T. Hale, McGill University

**Customer Satisfaction, Assessment, Intentions and Outcome Behaviors of Dyadic Service Encounters: A Conceptual Model** ................................................................. 48  
Janet R. McColl-Kennedy, University of Queensland

**Employers’ and Students’ Perceptions of Service Quality: Potential Problems for Marketing Educators** ................................................................. 55  
Mathew Joseph, Swinburne University  
Beatriz Joseph, R.M.I.T.  
John B. Ford, Old Dominion University
Issues in Marketing Education

Managing Academic Misconduct in the Classroom: A Discriminant Analysis of Subject and Situational Differences Between Cheaters and Non-Cheaters.................................................................56
Sarath A. Nonis, Arkansas State University
Cathy Owens Swift, Georgia Southern University

Experiential Learning: The Bridge to the ‘Real World’.................................................................62
Alicia B. Gresham, Our Lady of the Lake University
Marlene C. Kahla, Stephen F. Austin University
Kathleen H. Gruben, Stephen F. Austin University

The Evaluation of Faculty Performance in Research and Service: Some Practical Benchmarks.....................................................63
Gopala Ganesh, University of North Texas
Niranjan Tripathy, University of North Texas

The Quality of Conference Programs and the Value of Conference Proceedings: Future Directions for the Academy of Marketing Science.....................................................69
Clayton Hurst, Georgia Southern University
Cathy Owens Swift, Georgia Southern University
Keith Jones, Lynchburg College
David Glascoff, East Carolina University
James Grant, University of South Alabama

Macromarketing Issues

Tourism Marketing and Public Policy in Australia: The Case of Brand WA........................................75
Lance McMahon, Curtin University

An Application of the Dominant Product-Dominant Country Framework of Export Segmentation to the Case of Turkey.................................................................80
Mahesh N. Shankar Mahesh, Old Dominion University
Howard W. Olsen, Old Dominion University
Ceylan Kilic, Old Dominion University

The Dimensionality of Environmental Concern: Validation of Component Measures........................................82
Thomas F. Stafford, Texas Women’s University
Marla R. Stafford, University of North Texas

Exploring the Male/Female Earnings Gap Among Managers: The Case of Turkey........................................83
Bülent Mengüç, Lincoln University

Macro Issues in Marketing: A Discussion (Discussion Leader’s Comments)........................................85
Kiran Karande, Old Dominion University

Networking for Successful Entrepreneurial Marketing

A Model of Seller-Buyer Product Development Relationships in Technology-Based Industrial Markets........................................88
Gerard A. Athaide, Loyola College in Maryland
Rodney L. Stump, Morgan State University

Product Contingencies and the Locus of Entrepreneurial Knowledge in Marketing Channel Networks........................................91
Jack Cadeaux, University of New South Wales
Emerging Properties of Interorganizational Business Relationships:  
*An Exploratory Case Study of Expanding Swedish SMEs* .......................................................... 92  
Frans Prenkert, University of Orebro

*Thoughts on an Old Theme: Entrepreneurship and Organisation* .................................................. 98  
A. L. Minkes, Oxford, Balliol College, Oxford University  
Gordon R. Foxall, Cardiff Business School, Wales

**Retail Management Issues**

*Dealing with Periods of Tension in Buyer-Vendor Relationships* .................................................. 99  
Tim Christiansen, Purdue University

*Anomia and Fraudulent Behavior by Retail Employees* ................................................................. 100  
Albert Caruana, University of Malta  
B. Ramaseshan, Curtin University of Technology  
Michael T. Ewing, Curtin University of Technology

*Risk and Return in International Retailing* ................................................................................... 108  
G. Scott Erickson, Marist College  
Therese A. Maskulka, Lehigh University

**Marketing Channel Systems and Strategies**

*Integration and Performance: An Examination of the Marketing/Logistics Interface* ....................... 113  
Alexander E. Ellinger, Villanova University  
Patricia J. Daugherty, University of Oklahoma

*Logistics: An Evolutionary Perspective, Considerations and Future Directions* .............................. 114  
Stef G. Nicovich, University of Memphis

*Product and Packaging Disposal’s Challenges to Channels of Distribution Management* ............... 120  
James B. Spalding, Jr., Bellamine College  
Jim L. Grimm, Illinois State University  
Bennett L. Rudolph, Grand Valley State University

*The Effect of Culture and Language on Organizational Information Processing* ........................... 122  
Kenneth A. Hunt, University of Arkansas  
Thomas M. Rogers, University of Arkansas

**Consumer Relationships: Motivation and Maintenance Strategies**

*Building and Maintaining Relationships with Consumers* .............................................................. 123  
Hans Rask Jensen, Southern Denmark Business School

*Towards an Understanding of the Mature Marketing Relationship Phenomena* ............................. 128  
Deborah E. Rosen, University of Rhode Island  
Elizabeth F. Purinton, University of Rhode Island

*The Effects of Organizational Redesign on Buyer-Seller Relationships* ........................................... 129  
Jeffrey E. Lewin, Western Carolina University
Theoretical and Practical Insights for Differentiating and Marketing Services

Differentiating Services- The Marketing of Affinity Cards
William L. James, Hofstra University
Kelly L. Smith, University of Kentucky
Brenda S. Sonner, Troy State University-Montgomery
Charles Anatra, Access America

Conjoint Analysis as an Instrument for Marketing Controlling in Service Companies. Example: Mannheim National Theater
Martin Ohlwein, University of Mannheim
Ralf Schellhase, University of Mannheim
Birgit Franken, University of Mannheim

Gap Analysis and Services Marketing: Does Understanding Your Customers Really Improve Sales?
Walter W. Wymer, Jr., Christopher Newport University
Fay X. Zhu, Christopher Newport University

Research on Cognitions

A Look at Interactivity from a Consumer Perspective
Margaret A. Morrison, University of Tennessee

Travel and Tourism Purchase-Consumption Systems
Robert L. King, University of Hawaii-Hilo
Arch G. Woodside, Tulane University

Individualistic and Collectivist Values in Business: A Retail Management
Perspective in Privatizing Economies.........................................................233
Simona Stan, University of Missouri-Columbia
Kenneth R. Evans, University of Missouri-Columbia

If There is a Trade War, Who Would Join the Battle?........................................235
Kent L. Granzin, University of Utah
John J. Painter, University of Utah

Workforce Diversity Management Strategy: A Catalyst for Global Marketing Competitiveness......................241
Kendra L. Harris, George Washington University

Marketing Implications of Regional Integration in the Mercosur.................................................................243
Marcelo Barrios, Universidad Catolica

xxxii
### Database Marketing: Data Acquisition, Quality and Management

**Data Quality and Database Marketing**

John A. Chopoorian, University of Massachusetts-Dartmouth
Omar E. M. Khalil, University of Massachusetts-Dartmouth
Mehnaz Ahmed, University of Massachusetts-Dartmouth

**An Overview of Data Mining and Marketing**

Shahana Sen, Fordham University

**Exploring Text-Based Electronic Mail Surveys as a Means of Primary Data Collection**

Theresa B. Flaherty, Old Dominion University
Earl D. Honeycutt, Jr., Old Dominion University
Deborah Powers, Old Dominion University

### Strategic Issues in Advertising and Promotion

**Integrated Marketing Communications: Conflicts of Interest, Politics, and Performance**

Michael T. Ewing, Curtin University of Technology
Nigel de Bussy, Curtin University of Technology
B. Ramaseshan, Curtin University of Technology

**Gender Portrayals in Modern Cigarette and Alcohol Advertisements: A Replication**

M. Wayne DeLozier, Nicholls State University
Caroline Lagarde, Nicholls State University
Jennifer Landura, Nicholls State University

Timothy P. Meyer, University of Wisconsin-Green Bay
Kathryn A. Meyer, University of Wisconsin-Lincoln
Thomas R. Donohue, Virginia Commonwealth University

### Marketing Products and Services Abroad

**An Empirical Study of Export Product Adaptation and Its Antecedents for Turkish Export Ventures**

Büulent Mengüç, Lincoln University
Tunç Erem, Marmara University

**Antecedents of the Components of Export Market Orientation: A Study of U.S. Exporters**

Judy A. Siguaw, Cornell University
John W. Cadogan, Victoria University of Wellington
Adamantios Diamantopoulos, Loughborough University
Gregory Harner, Kennesaw State University
Sheryl Wasilewski, Kennesaw State University

**Gaining Competitive Advantage through Standardization and Differentiation of Services**

Frank Huber, University of Mannheim
Andreas Herrmann, University of Mainz
Christine Braunstein, University of Saarbrucken
Decision Making Process of the Marketing Entrepreneur

Adaptation of the Business Concept as a Factor in Entrepreneurship: The Case of Historically Disadvantaged South African Engineers.................................................................297
Michael H. Morris, Georgetown University
Rushieda Kannemeyer, University of Cape Town
Leyland F. Pitt, University of Wales-College of Cardiff

An Investigation of the Social Construction of the Entrepreneurial Personality by Means of the Critical Incident Technique.......................................................................................... 304
Elizabeth Chell, University of Newcastle

The Influence of Managerial Disagreement on Industry Characteristics and Strategy on Small Firm Performance................................................................. 310
Alfred M. Pelham, Grand Valley State University

Understanding Why Small Firms Choose their Advertising and Promotional Strategies: An Empirical Investigation......................................................................................... 311
Judy Foster Davis, Eastern Michigan University

Organizational Issues and Market Structure in Marketing Strategy

Emergence of a Virtual Enterprise: An Integrated Theoretical Framework.................................................................................................................. 316
M. Senthil Kumar, Oklahoma State University
Brian Larson, Oklahoma State University
